Skiing the Paznaun valley

The Paznaun valley has several resorts covered by the same lift ticket, as well as the Ikon pass. Access to Galtür is steps from the hotel, offering nine lifts and night skiing. Ischgl/Samnaun is the biggest resort in the valley and only a short bus ride away (free with ski gear), with a total of 46 lifts and a vertical of 1,500 meters (5,000 feet); it connects the towns of Ischgl, Austria and Samnaun, Switzerland. Two additional ski areas, See and Kappl, are on the same pass. 77 kilometers of X-country skiing round off the experience.
