About Jackson Hole, Wyoming

Jackson Hole Mountain Resort, long renowned for its expert chutes and couloirs, has expanded its intermediate and beginner terrain and renovated the aerial tram. Half of the incredible 2,500 acres are beginner/intermediate terrain. With so much terrain, Jackson Hole offers one of the lowest skier densities of any resort in the United States. In addition, Jackson Hole Mountain Resort also boasts the longest continuous vertical rise of any ski area in the United States: 4,139 vertical feet. With an average snowfall of 402 inches every season, Jackson Hole is a powder paradise. For cross country, the Jackson Hole Nordic Alliance offers more than 100 trails.
